

The flyer features logos at the top for the organizing institutions: the Italian Society of Multiple Sclerosis (S), the H-Open Weekend project, and the University of Turin. The main text is in green and black, announcing the event on November 12, 2020, with the slogan 'SM Semplicemente Mamma'. It details a telephone support service for women with multiple sclerosis, provided by a gynecologist and a neurologist. A green circle highlights the date and time (Thursday, November 12, 10:00-15:00) and provides two phone numbers to call: 011.633.4724 and 011.633.4154. A small H-Open Weekend logo is at the bottom.
